PRESIDENT'S MESSAGE

Dear friends:

Since 1987, Street Children International has been providing support for education, food, lodging and marketable skills to under privileged children, in partnership with other recognized not-for-profit organizations. We are providing support by way of annual grants to these organizations, both in India and USA, who takes care of these children on regular basis.

During this year, we provided support to Ramakrishna Vivekananda Mission, SWA Sambriddhi, Sarada Kalyan Bhandar, Hizaldiha Vivekananda Seva Samity, Purbosree Mahila Samity, UDBHAS, Sarjan Foundation, and Mantra. Through our New Orleans chapter, we provided essential school supplies and clothes to needy children in a school at New Orleans. We would be happy to extend our support to many more needy children, as and when our fund position improves.

We had our annual fund-raising event on September 17, 2017, featuring classical Indian dance & music, a slide show highlighting our activities and a fashion show. We also brought out a colorful brochure commemorating our 30th anniversary at our fundraising event and distributed to all participants. At this time, I would like to recognize and thank all our members and volunteers for their help and support in making our fundraising event a great success..

We thank all of you for your continued support all these years. Approximately 99 Cents for each of your Dollar contribution went for the cause you donated for. We wonder, how many charitable organizations can claim that? We appeal to you for your continued financial support to our organization. You can make your donations via 'Pay Pal' through our website www.streetchildreninternational.net. You may also send a check payable to 'Street Children International' and mail it to the above address. For additional information, you may contact us by e-mail at streetchildreninternational@gmail.com. We are a registered not-for-profit corporation under IRC 501(c) (3). Therefore, your donations are tax deductible.

Sincerely yours,

R.S. Rajan

A Morning at *Udbhas*:
SCI Supported School located in the Income Tax Building, Kolkata
By
Nikhiles Mukhopadhyay

Both me and my wife, Dolly had been donating to the Street Children International (SCI) in New York for quite a few years. In late December of 2017, I contacted Dr. Maya Sarkar, a friend of ours, and discussed the possibility of visiting one of the Street Children International facilities during my visit to Kolkata. She suggested that we visit the *Udbhas* morning school (Monday to Friday 7 AM to 9 AM) in the parking lot of the Income Tax building next to Dakhinapan Shopping Complex in south Kolkata that is not far from our home in Kidderpore. Both of us discussed in length about the many projects supported in Kolkata by Street Children International.

Students of *Udbhas* studying in their pavement school held in the parking lot

In January of 2018, me and my wife visited Kolkata and kept in the back of our mind that we would be visiting the *Udbhas* School for the Street Children International in Kolkata. Upon arrival in Kolkata, I called Mr. Barun Ghosh (local liaison and program manager of the school) and discussed Street Children International programs. I also came to know that Barunda is an alumni of the engineering school of the Jadavpur University and is about 10 years senior to me. After a successful professional career, he had been devoting all his time in *Udbhas* and other programs supported by Street Children International.

It was an unannounced visit. We met several teachers (who work at a minimum token wage or for free) teaching various classes (age ranging from 4 to 12 years boys and girls) from the local slum area. Students are provided with breakfast everyday that is sponsored by donors from India and overseas. Students appeared to be very interested in learning. I came to know that since its inception some of the

children from these schools graduated with first division and entered colleges and technical institutes. I observed the dire need for a permanent school facility since the present set up in the parking lot faces various obstacles and limitations from the building management. We also talked about the need for additional financial support to expand the various programs.

Overall, it was quite an enjoyable and emotional visit to see that our donations are well spent and well managed by the Street Children International team and these under privileged kids are seeing a bright future at the end of the tunnel. In closing, I must say that Street Children International will always have our continued support and presence in the future. I also urge that more and more people get involved with such philanthropic projects like Street Children International and become motivated to make a difference in the lives of disadvantaged children.

Annual Fundraising Event for Street Children International

Street Children International's annual fundraising program includes a multi-cultural event featuring music, dance, multimedia presentations, and a slide show depicting the SCI-supported schools. Testimonials from the pavement school children provide a glimpse into SCI's continued effort to support education, nutrition, clothing, and basic needs of well-being that ensures the children's survival in a cleaner and healthier way.
