PRESIDENT'S MESSAGE

Dear Friends:

Since 1987, Street Children International has been providing support for education, food, lodging, and marketable skills to underprivileged children in partnership with other recognized not-for-profit organizations. We are providing support by way of annual grants to these organizations, both in India and USA, to take care of these children on a regular basis.

During this year, we provided support to Ramakrishna Vivekananda Mission, SWA Sambhiddhi, Sarada Kalyan Bhandar, Hizaldiha, Vivekanada Seva Samity, Purbosree Mahila Samity, UDBHAS, Sarjan Foundation, and Mantra. Through our New Orleans chapter, we provided essential school supplies and clothes to needy children in a New Orleans school. We would be happy to extend our support to many more needy children, as and when we have additional funds available.

We had our annual fund-raising event on September 22, 2019, featuring classical Indian dance and music, Bollywood dances, and multicultural performances by local artists. At this time I would like to recognize and thank all our members and volunteers for their help and support in making our fundraising event a great success.

We thank all of you for your continued support all these years. Approximately 99 Cents of each Dollar of your contribution was utilized for the cause you donated for. Not many charitable organizations can make this claim. We appeal to you for your continued financial support to our organization. You can make a donation through our website [www.streetchildreninternational.net](http://www.streetchildreninternational.net). You may also send your check payable to "Street Children International" and mail it to the above address. For additional information, you may contact us by email at [streetchildreninternational@gmail.com](mailto:streetchildreninternational@gmail.com). We are a registered not-for-profit corporation under IRS 501(c) (3). Your donations are tax deductible.

Sincerely yours,

  
Meghmala Tarafdar  
President, SCI

## Activities for SCI Supported Children at *Mantra*

MANTRA organizes periodic cultural events where children are encouraged to show their talent and skills to their guardians and other neighborhood residents. These events encourage children to come to MANTRA in a sustained way and develop an interest in their curricula based studies. The children's families and caregivers become sensitized about their own responsibilities towards the children in this process.

Students of *Mantra* at a local community event

**Children with Special needs** receive care and support through regular counseling and participation in extra-curricular activities.

**Weekly Art and Craft Activities** help in nurturing the artistic talent of children based on their interests. Children gift their artifacts to the families in their neighborhood and receive appreciation for their craft.

**Monthly Monitoring of Children's Health and Habits** ensures the well being of children in a regular way.

**Weekly Rhymes/Storytelling session** for children encourages verbal expression in front of an audience.

**Monthly Silent Procession** with children on relevant issues like *Cleanliness, Water Conservation, Outbreaks of Epidemic,* etc. to generate community awareness.

## SCI Supported Children at *Sarjan Foundation*

Sarjan's children participate in educational and cultural activities and learn to live in harmony with nature. Through love and compassion, children learn communication abilities and develop skills in arts and crafts.

At the *Balwadi* center the children participate in games and recreational activities that encourage teamwork, friendliness, and communication skills.

## 2018 Annual Fundraising Event for Street Children International

Street Children International's annual fundraising program in 2018 included a multi-cultural event featuring music and dance performances by local artists. Handouts featuring the activities of SCI-supported schools were distributed to the attendees to raise awareness about SCI's mission. Testimonials from the pavement school children provided a glimpse into SCI's continued effort to support education, nutrition, clothing, and basic needs of well-being that ensures the children's survival in a cleaner and healthier way.
